

Pearls by Sade

- Listen and complete the song with the right verb in the present simple 3rd person.

There is a woman in somalia
Scraping for pearls on the roadside
There's a force stronger than nature
Keeps her will alive
That's how she's dying
She's dying to survive
Don't know what she's made of
I would like to be that brave
She to the heaven above
There is a stone in my heart
She a life she didn't choose
And it like brand-new shoes

Hurts like brand-new shoes

There is a woman in somalia
The sun her no mercy
The same sky we lay under
..... her to the bone
Long as afternoon shaddows
It's gonna take her to get home
Each grain carefully wrapped up
Pearls for her little girl

Hallelujah
Hallelujah

She to the heaven above
There is a stone in my heart
She a life she didn't choose
And it like brand-new shoes
